

Azure Stream Analytics  
**Microsoft Power BI**

# Learning Objectives

Azure Stream Analytics: Microsoft Power BI Integration

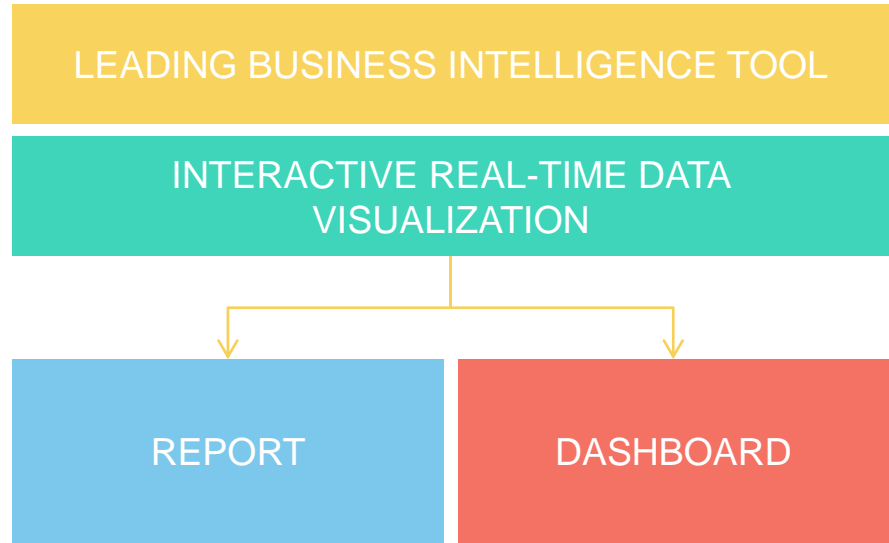

- **What is Power BI? What are its benefits to ASA users?**
- **How do I set up an output in ASA to view the information in PowerBI?**
- **How do I create graphic real-time data visualizations in Power BI?**

# Introducing Power BI

Azure Stream Analytics: Microsoft Power BI Integration

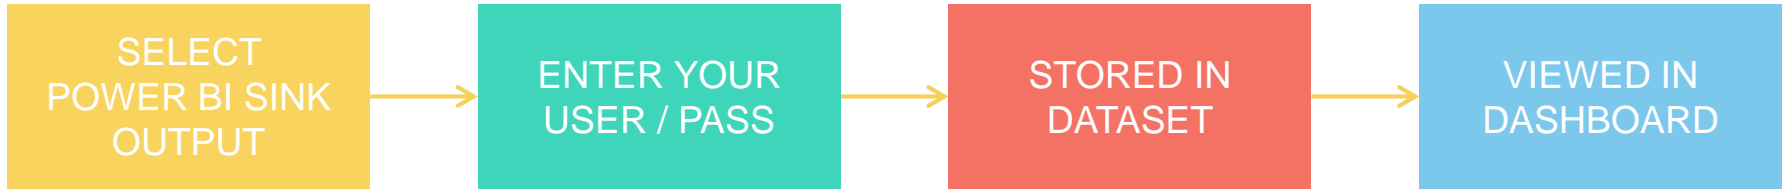

Power BI

# Power BI with ASA

Azure Stream Analytics: Microsoft Power BI Integration

DEMO

Power BI Integration with ASA

**Power BI provides dynamic visualization to ASA outputs**

**Easy Integration:**

- **Select PowerBI Sink ASA**
- **Log in to you PowerBI account.**
- **Complete your Output setup.**
- **Run your job**
- **View the results in PowerBI**

**PBI allows for new tiles to be created to view real-time data**
